## Reminders: APs at Wayland

---

All APs require the written consent of the instructor.

Students taking an AP course at Wayland must take the scheduled AP exam in May. The cost is approximately \$100 per exam.

Wayland reserves the right to remove any AP course from its curriculum offerings at any time.

If a student wants to take an AP “exam only” (meaning they don’t want to take the year-long class, but wants to sit for the AP exam), they can do so by confirming with Mr. Ahlborn by Oct. 1.

Teacher and Student Notes:

I hereby provide my permission and support for this student to take the AP course(s) listed:

3. \_\_\_\_\_
